TA	7.05g/litre
VA	0.22g/litre
pH	2.99

VINEYARD

The grapes for this wine were grown at our Mt Crawford vineyard in the Eden Valley. This region is renowned as one of the best regions for growing Riesling in Australia. The Mt Crawford vineyard is at the Southern end of the Valley and one of the coldest vineyards in South Australia.

VINTAGE 2004

In our higher altitude cool climate Mt Crawford vineyard, the 2004 vintage was characterized by a long cool ripening season. Moderate days with good levels of sunshine during vintage with cool crisp nights ensured good acid structure and exceptional varietal characters.

VINIFICATION

The juice was fermented in stainless steel tanks under temperature controlled conditions which has ensured maximum varietal flavour and aroma retention.

TASTING NOTE

The wine is light straw in colour. Fresh citrus aromas are evident on the nose and palate with lifted lemon and lime flavours contributing to a refreshing and zesty wine. Good acid levels ensure the wine is beautifully balanced and structured and also add to a crisp, elegant finish. As it develops the wine is taking on appealing honey dew flavours while retaining freshness.
